

Player Sponsorship 2018-19 Season Application Form

Stirling County offer a very successful Player Sponsorship scheme which is a fun yet inexpensive way to promote a business or individual. The monies raised are used to pay for the sponsored Player's club membership subscription and to assist in the provision of playing kit and ancillary rugby equipment.

Sponsoring a Player is a popular way to raise funds for the Club, while supporting a Player to develop their rugby at Stirling County. A Player can be sponsored for the entire season for only £288.

The benefits to a Player Sponsor include:

- Sponsor's name, link and logo posted on the Players' profile page on the Club's website.
- Sponsor's name included alongside 'Player of the Match' in match reports on Club's website and press.
- Sponsor's name included in 'Player of the Season' listing.
- Pre-match hospitality and match admission for two at an early season Stirling County Premiership match at Bridgehaugh.
- Payment of sponsored Player's membership subscription for year.
